SUBJECT: Speed Zone Ordinance
Hart County

Dear Mr. Caime:

This office has completed the update of the Hart County Speed Zone Ordinance.

Three copies of the updated ordinance are attached for your review and approval. Once approved, please forward two signed notarized copies of the signature page to this office for further processing. One of the copies will be maintained for our files and the other will be forwarded to the Department of Public Safety for their review and approval.

It is the responsibility of the County to sign all off-system roadways. Speed limit signs and speed checked by detection device signs have to be in place for thirty (30) days prior to radar use. The attached ordinance will go into effect upon approval from the Department of Public Safety. However, the County **cannot** use any speed detection device until the signing requirements are met.

We appreciate your patience and cooperation in this matter. Should you have questions or require assistance, please contact Michael Johnson of our office at (770) 718-5040.

Sincerely,

Brent E. Cook, P.E.
District Traffic Engineer
