RE: Item 12 E Business License Ordinance

We have had discussions about the need for a registration / business license ordinance to keep track of what businesses and products / services being provided to ensure that the health and safety of the citizens are taken into consideration when a business wishes to locate and or operate within the County.

Attached is a draft prepared by the County Attorney for discussion and possible first reading.

Amendment to Chapter 22 "Businesses"

Hart County Code of Ordinances

AN ORDINANCE TO AMEND THE HART COUNTY CODE OF ORDINANCES, AND PARTICULARLY CHAPTER 22, BY ADDING ARTICLE VI TO BE KNOWN AS "BUSINESS LICENSING REGISTRATION AND REGULATIONS" SECTIONS 22-120, ET SEQ, AND FOR OTHER PURPOSES.

ARTICLE VI: BUSINESS LICENSING REGISTRATION AND REGULATIONS

Sec. 22-120. - General authority.

A county business license issuance is subject to the right of the Board of Commissioners to regulate and exercise police power over any occupation, business, trade, profession or calling and the right of the Board of Commissioners to prescribe such rules and regulations as may be necessary in the exercise of the police power and for the protection and the promotion of the public health, safety and welfare and to provide for the suspension of or for the forfeiture of a county business license upon failure to comply with this article or any amendment thereof or any other federal, state or local law, rule or regulation.

Sec. 22-121. – County Business License requirement.

Unless otherwise expressly provided by any applicable federal or state law, it shall be unlawful for any person, firm or corporation to engage in any occupation, trade, profession, or calling with an office or other business location in the county without first applying for and obtaining a county business license and paying the non-prorated nonrefundable administrative fee of $25.00, annually.

Sec. 22-122. - Number, term and expiration of county business license.

A county business license shall have a number and expiration date of December 31 of each year. A business having an existing business license issued by the county must obtain a new business license on or before the expiration date of the existing business license in order to continue to conduct business following the expiration of the business license, unless otherwise provided in this article.

Sec. 22-123. - Transfer of county business license.

A county business license shall not be transferable to another person, firm or corporation in the same location. A county business license may be transferred from one business location to another provided the ownership of the business remains the same.

Sec. 22-124. - Application for county license; contents; investigation; restrictions.

All applications for a county business license shall be on forms prepared by the Board of Commissioners or the County Administrator's office.

(1) The application shall include:

a. The name of the business;

b. The location of the business;

c. The mailing address of the business and the telephone number of the business;

d. The name and address of the owner of the business, and if a corporation, the name of the person responsible for corporate affairs in the county;

e. The name of the manager at the business location;

f. The nature of the business;

g. The number of employees or such other information as may be required to assess any future occupation tax;

h. Such other information as may be required to carry out the provisions of this article.

(2) Upon completion of the application and the payment of any applicable fees, the County Administrator (or his/her designee) shall make such investigations and require such reports as necessary to carry out this article. Upon receipt of the necessary reports and investigations, the County Administrator shall either issue the county business license or refer the application to the Board of Commissioners. If the application is referred to the Board of Commissioners, the applicant shall be notified in person or by mail at his business address.

Sec. 22-125. - Issuance of county business license; denial; hearings.

Whenever an application is referred to the Board of Commissioners under subsection 22-124(2), the Board of Commissioners shall make such investigation and hold such hearings as it shall determine to be necessary or appropriate to legally determine the issues. After notice and hearing, the Board of Commissioners may either issue a business license, issue a business license with conditions, or deny a business license, as necessary, in the opinion of the Board of Commissioners, to safeguard the public health, safety and general welfare and security of the county.

Sec. 22-126. – County business license denial; exceptions.

The Board of Commissioners may deny a business license to any business engaged in an unlawful activity or operated in such a manner as to violate lawful ordinances or resolutions adopted by the Board of Commissioners or any other applicable laws, rules and regulations.

Unlawful activity shall include, but not be limited to, activities in violation of local, state or federal electrical, health, building and fire codes.

Sec. 22-127. - Grounds for revocation of license—Generally.

The Board of Commissioners shall have the right, after notice and hearing, to revoke any business license issued hereunder on the following grounds:

(1) Violation of this article;

(2) Violation of other laws and resolutions of the county pertaining to the carrying on of such business as would affect the health, safety, and welfare of the public or the county;

(3) Violation of a law of the United States or the state, which affects the public health, welfare and safety;

(4) Fraudulent business practices;

(5) The business constitutes a nuisance. For the purposes hereof, a nuisance is defined as anything that works hurt, inconvenience, or damage to another. The fact that the act done may otherwise be lawful shall not keep it from being a nuisance. The inconvenience complained of shall not be fanciful, or such as would affect only one of fastidious taste, but it shall be such as would affect an ordinary, reasonable person.

Sec. 22-128. - Same—Preliminary investigation.

When it is reported to the County Administrator or Sheriff that a holder of a county business license is engaged in any activity which could form the basis for a revocation of such business license under Section 22-127, a preliminary investigation shall be conducted by the County Administrator (or his/her designee) or Sheriff in order to determine whether or not there is a basis for the reports. If the County Administrator's or the Sheriff's preliminary investigation reveals that there may be a basis for revocation or suspension of the business license, the business license holder will be notified to appear before the Board of Commissioners for a hearing under the provisions of Section 22-130.

Sec. 22-129. - Seizure of business registration; applicable businesses.

If the County Administrator or the Sheriff finds that a business is in violation federal or state law, or in violation of a law or resolution of the county and that the continued operation of such business would create a clear and present danger to the health, safety and general welfare and security of the county, the County Administrator or the Sheriff shall be empowered to seize and temporarily suspend the business county license of the business. The County Administrator or the Sheriff shall deliver the county business license to the Clerk of the Board of Commissioners upon the next working day of the Clerk. The Chairperson of the Board of Commissioners shall then schedule a special hearing of the Board of Commissioners to

consider further action upon the order within 30 days of the date upon which the Clerk of the Board of Commissioners received the county business license from the Sheriff.

Sec. 22-130. - Revocation of business registration—Hearing; notification.

(a) When a matter is transmitted by the County Administrator or the Sheriff to the Clerk of the Board of Commissioners for possible suspension or revocation, the Chairperson of the Board of Commissioners shall schedule a hearing before the Board of Commissioners. The Board of Commissioners shall make such investigations as it deems necessary and shall conduct the hearing pursuant to such procedures as the Board of Commissioners shall determine in good faith to be lawful and appropriate.

(b) The holder of the business license shall be notified in person or by mail at his/her business address of the date and time of the hearing. The holder of the business license may appear in person or be represented by counsel.

(c) At the conclusion of the hearing, the Board of Commissioners, based upon evidence submitted at the hearing, shall enter an order making findings of fact and then:

(1) Find that the evidence does not authorize revocation or suspension;

(2) Issue a warning to the holder of the county business license;

(3) Suspend the county business license and probate the suspension;

(4) Revoke the county business license and probate the revocation;

(5) Suspend the county business license;

(6) Revoke the county business license; or

(7) Take any other appropriate action regarding the county business license.

Sec. 22-131. - Same—Appeal.

(a) Any person, firm or corporation may appeal any action, order, decision, or determination of the County Administrator, Sheriff, or any other administrative official to the Board of Commissioners. The appeal is limited to an alleged error of the official from which the appeal is taken.

(b) The appeal shall be filed in writing with the Clerk of the Board of Commissioners within 15 days following the date on which the alleged error was made. Upon receiving the appeal, the Clerk shall schedule a hearing before the Board of Commissioners and notify all parties to the appeal by mail at their business address of the time and date of the appeal hearing.

(c) All parties to the appeal may appear in person or be represented by counsel.

(d) The Board of Commissioners shall conduct the hearing as the chairperson shall see fit. At the conclusion of the hearing, the Board of Commissioners shall enter an order making findings of fact and shall have all the powers of the official from which the appeal was taken.

Sec. 22-132. - Board of Commissioners' decisions are final.

Any decision, order, requirement or determination of the Board of Commissioners of the county shall be a final administrative determination. Any application for relief from an official action of the Board of Commissioners shall be as set forth in Section 22-133.

Sec. 22-133. - Appeal of final decision.

(a) Any person, persons or entities, jointly or severally, aggrieved by a final decision of the Board of Commissioners may appeal in accordance with O.C.G.A. § 36-66-5.

(b) In order to comply with O.C.G.A. § 36-66-5.1(c) the chairperson of the Board of Commissioners, and/or the County Administrator is authorized to issue forms or certificates to perfect the Petition as provided for in O.C.G.A. § 36-66-5.1(c) upon confirmation with county staff that such approvals are appropriate.

(c) For purposes of certiorari proceedings, the County Administrator, is authorized to accept service on behalf of the respondent. The County Administrator is authorized to accept service of process on behalf of Hart County as an opposite party.

This Amendment shall be effective immediately.

All other parts of said Ordinance, as amended, shall remain in full force and effect.

SO RESOLVED, in open and public meetings on the dates set forth below.

County Administrator
July 18, 2025

RE: Item 12 F Public Works Director Job Description

Attached is the currently approved public works director job description.

JOB TITLE: Public Works Director

PW/1
2/20/01 gc

DEPARTMENT: Public Works, Hart County

JOB SUMMARY: This position is responsible for planning and directing the operation of the department, including the work of the Road, Maintenance Shop, and Solid Waste departments.

MAJOR DUTIES:

- Plans and implements the goals, objectives, and strategies for all Public Works departments; supervises the work of personnel involved in road and bridge system construction and maintenance tasks.
- Supervises the work of personnel involved in solid waste and recycling collection and disposal.
- Interviews, hires, trains, evaluates, rewards and disciplines subordinates; maintains personnel files on all departmental employees.
- Conducts regular staff meetings to review progress, accomplishments, budgets and plans for Public Works departments.
- Prepares proposed annual operating budgets and monitors expenditures under current operating budgets for all Public Works departments.
- Responds to inquiries and complaints from the general public.
- Reviews and approves equipment requests and specifications for equipment purchases, solicits bids, and submits purchase requests to the County Administrator for approval.
- Submits funding requests regarding county road construction and maintenance policy to the DOT.
- Maintains project status files to include all current and planned Road and Solid Waste projects; submits monthly status reports to the County Administrator on work completed.
- Serves as fleet manager for all county departments, including supervising the equipment maintenance program and the preparation of equipment specifications.
- Administers and supervises the Land Use Development Standards ordinance, Erosion Control program, and National Flood Insurance program.
- Provides technical engineering assistance to the Water and Sewer, and Industrial Development Authorities.

- Performs other related duties as assigned.

KNOWLEDGE REQUIRED BY THE POSITION:

- Knowledge of techniques, equipment and supplies used in road and bridge construction, maintenance, and repair.
- Knowledge of proper solid waste management practices.
- Knowledge of county operating policies, procedures, ordinances and codes, including budgeting and purchasing procedures.
- Knowledge of proper equipment operation, maintenance and design specifications.
- Skill in reading blue prints and schematics.
- Skill in scheduling, assigning and prioritizing work.
- Skill in dealing with the public.
- Skill in developing and reviewing future plans for development.
- Skill in the use of computer drafting and spreadsheet programs.
- Skill in interpreting and applying engineering and construction-related standards.

SUPERVISORY CONTROLS: The County Administrator assigns work in terms of departmental goals and objectives. Work is reviewed through reports, conferences, and observation of departmental activities.

GUIDELINES: Guidelines include county operating policies and procedures, EPA regulations, DOT manual, and standard operating procedures. These guidelines require judgment, selection and interpretation in application. This position develops departmental guidelines.

COMPLEXITY: The work consists of varied planning, administrative, and supervisory duties.

SCOPE AND EFFECT: The purpose of this position is to direct the work of personnel involved in road and bridge construction and maintenance and solid waste collection. Successful performance in this position helps ensure the repair and maintenance of county roads, the proper collection and disposal of solid waste, and the efficient operation of the department.

PERSONAL CONTACTS: Contacts are typically with co-workers, utility company personnel, state DOT personnel, government agency representatives, vendors, other county employees, and the general public.

PURPOSE OF CONTACTS: Contacts are typically to exchange information, resolve problems, motivate personnel, and provide services.

PHYSICAL DEMANDS: The work is typically performed with the employee sitting at a desk or table.

WORK ENVIRONMENT: The work is typically performed in an office and outdoors. On occasion the employee is exposed to noise, dust, dirt, grease, inclement weather, and machinery with moving parts. The use of protective devices such as masks, goggles or gloves may be required.

SUPERVISORY AND MANAGEMENT RESPONSIBILITY: This position has direct supervision over Road Superintendent, Maintenance Shop Superintendent, and Solid Waste Superintendent Environmental Compliance Officer, 911 Coordinator, and Public Works Specialist.

MINIMUM QUALIFICATIONS:

- Knowledge and level of competency commonly associated with the completion of a baccalaureate degree in a course of study related to occupational field.
- Sufficient experience to understand the basic principles relevant to the major duties of the position, usually associated with the completion of an apprenticeship/ internship or having had a similar position for one to two years.
- Possession of or ability to readily obtain a valid driver=s license issued by the State of Georgia for the type of vehicle or equipment operated.

PREFERRED QUALIFICATIONS

- BS in Civil Engineering from an accredited university
- Professional Engineer Registration in State of Georgia.

RE: Item 13 A Equine Fireworks Ordinance (to comply with HB 614)

The legislature passed and the Governor signed into law effective July 1, 2025, HB 614. This allows local governments to enact local ordinances to address the associated problems caused by the use of fireworks within a certain distance of horse farms and or boarding / training facilities. Below are ACCG / GMA's comments on the legislation.

This bill seeks to grant local governments the authority to adopt ordinances prohibiting the use of consumer fireworks within 200 yards of facilities housing equines, such as horse stables and farms. These ordinances aim to protect horses from distress and potential injury caused by loud noises and sudden flashes. Additionally, the bill authorizes local governments to issue special event permits allowing the temporary use or ignition of consumer fireworks within 200 yards of a commercial equine facility in a confined area.

RE: Item 13 B End of Old Hebron Rd situation

There has been an ongoing problem for years with people parking and or using this 100' of the dead-end road that ends at the Corps of Engineer's line for non-appropriate reasons. Now with the increase in the homeless population there is an even larger problem. The Sheriff's office receives multiple complaints and makes many responses to this. I have spoken with the Sheriff and the Corps of Engineers about this, and they have no problem with the county either blocking the road at the last driveway or us abandoning this 100' foot section of the road to help with these problems.

RE: Item 13 D EMS Day Truck Discussion

I have attached call data from 1/1/25 through 7/17/25 the 911 system for EMS responses, it shows both the volume and times of the day that are the busiest. Please note that the actual number of ambulances responding will be greater than these numbers because motor vehicle accidents and multi-trauma calls requiring multiple ambulances to respond.

We feel that adding a day truck from 7 am till 7 pm will help in several areas.

1. To help have adequate coverage of units during the busiest times of the day.

2. To reduce the load on the 24-hour staff, which at times do get little to no downtime during the day or night. This should help with the high rate of burnout among the staff who are getting worn down by the hectic call volume.

3. It hopefully will give the opportunity for retaining and hiring older more experienced medics that have chosen to either leave the profession or move to other jobs with less hours. This would be a great opportunity for the younger, less experienced people interested in the 24-hour shift to gain knowledge from making them better medics.

4. Starting the day shift at 7 am would prevent most of the holdover times for calls originating just before the 8 am shift change of the 24-hour people.

As for the cost of doing this for the remainder of the current fiscal year there would not have to be any additional funding for FY25 as the staffing has been short enough to cover the cost. I have added this to the FY 26 budget for the next year.
