The Contractor shall be responsible for all damage or injury to property of any character resulting from any act, omission, negligence, or misconduct in the prosecution of the work. When any direct or indirect damage or injury is done to private or public property by or on account of any act, omission, negligence or misconduct in the execution of the work, the Contractor shall either restore at his own expense such property to a condition similar or equal to that existing before such damage or injury occurred; or shall make good such damage or injury in a manner acceptable to the owner of the damaged property and to the County.

If unit prices are required to be submitted with bid, these unit prices will be applied to any changes that occur in the project as directed by the owner through a formal change order. The unit prices submitted will include all expenses including engineering, profit, overhead or any other expenses occurring with the charged unit.
