My Commission Expires:

* As of the effective date of O.C.G.A. 13-10-91, the applicable federal work authorization program is the "EEV/Basic Pilot Program" operated by the U.S. Citizenship and Immigration Services Bureau of the U.S. Department of Homeland Security, in conjunction with the Social Security Administration (SSA).

SCOPE OF WORK:

The work in this section consists of installing a well and pump with the capacitive of 10 gpm at 40 psi. And furnishing all equipment, labor, and materials necessary to drill a well .The pump shall be a stainless steel assembled pump/motor of 230 volts, 3 wire type. The installer shall provide a Franklin electric control box at the well head and proper size tank to achieve required pressure. If the minimum GPM is not met, an alternative site will be chosen to achieve this amount (or more).

Well size and depth: A 6 inch well (with an 8 inch alternate) The top of the well shall be 6 inches above grade to allow for a protective concrete pad 4 inch thick , extending 2 feet out in all directions from casing , with the pad sloped away from casing. Depth to be determined by the installer to achieve water needed. Estimated depth of 600 feet

Well Identification Plate: The well shall be equipped immediately after completion of the drilling with an identification plate. The identification plate shall be constructed of a durable, weatherproof, rustproof metal or equivalent material. The identification plate shall be securely attached to the well casing or concrete pad around the casing where it is readily visible. The identification plate shall be stamped with a permanent marking to show the following information:

- a) Drilling contractor and registration number;
- b) Date well completed;
- c) Total depth of well (in feet);
- d) Casing: Depth (in feet), Inside Diameter (in inches);
- e) Yield expressed in gallons per minute (gpm), or specific capacity expressed in gallons per minute per foot of drawdown (gpm/ft.-dd);
- f) Static water level and date measured;

Bidder will abide by all other Hart County and State of Georgia policies, procedures, and guidelines for providing this well.

I. GENERAL INFORMATION FOR BIDDERS

Hart County reserves the right to reject any or all bids, further negotiate with one or more bidders, and, waive any technicalities or informalities if it is deemed in the best interest of the County. Hart County assumes no responsibility in the costs incurred by the bidder in preparing a response.

The Hart County Board of Commissioners reserves the right to waive technicalities, to accept or reject any and all bids or proposals and to waive any irregularity in any bid or proposal received, to award the entire bid or proposal to one vendor or multiple vendors or to make awards by group or location, whichever is in the best interests of Hart County.

It is the bidder's responsibility to verify all quantities and specifications are met to perform the work as specified herein, before submitting their bid. Price submitted shall include all labor and materials for completion of the work. In the event of a conflict between these specifications and any referenced specifications the higher quality specification shall supersede. Quantities listed are approximate and may be varied at the discretion of the Owner.

All measurements given on the list of work to be done are approximate. It is the contractor's responsibility to verify all quantities and measurements necessary to perform the work as specified herein, before submitting their bid.

Bids submitted and prices submitted shall be valid for 90 days after submittal of bids. After this 90 day period, the bidder has the right to withdraw his pricing or be awarded the work at the bid price should the County choose to award this work. If only one bid is received the County may choose to not open the bid and solicit additional bids prior to opening all bids in a public meeting.

I. PREPARATION OF BID

A. Bidders must submit bids on the proposal forms provided. Additional materials can also be included with the bids. Complete the bid form, bid supplemental form, and contractor affidavit. Place the bid in both numbers and words on the bid form in the space provided. In the event of a conflict between the number and words bid the price in words shall be used. Place bid within an envelope addressed:

Hart County Board of Commissioners
800 Chandler Street
Hartwell, GA 30643
Attn: Betty Floyd

Place on outside of envelope:

“Water Supply Well for Sardis Fire Station # 10 along with “Name of Company”

B. Any deviations (exceptions) from the bid specifications must be included on the Bid **Supplemental form**. Such deviations may be evaluated by the Owner in making a final determination as to the selection of a bidder.

- C. Submit proposals filled out in ink or typewritten, without erasure, interlineations or changes. No bid changes will be permitted to be placed on the outside of the envelope. If a bidder desires to change the bid prior to the deadline for acceptance, the bidder may remove place the revised bid in a new sealed envelop.
- D. Make proposals in name of the principal and if a partnership, give names of all parties. Give exact post office address. If an agent submits proposals, provide satisfactory evidence of agency authority with proposal.

III. BIDDER'S RESPONSIBILITY

- A. Before submitting their bid, the Bidder shall carefully perform all necessary investigations to inform themselves thoroughly as to the specifications needed for this work.

IV. INSURANCE, LAWS, PERMITS, LICENSES, REGULATIONS, ETC.

- A. Licensure for work will be as required by any applicable regulatory agency.
- B. The Contractor, in execution of the work, shall conform to all applicable Federal and State laws, Municipal Ordinances and rules and regulations of all authorities having jurisdiction over the work, including in part, all construction codes and safety codes which may apply to (1) performance of work; (2) protection of adjoining and adjacent property; (3) maintenance of passageways, guard fences or other protective facilities; and shall obtain and pay for all permits, licenses and approvals necessary for construction of the work and give all required notices.
- C. The Contractor shall arrange for all inspections required by Federal, State, and Municipal or other authorities having lawful jurisdiction and pay all fees and cost incurred.
- D. The successful bidder shall be required to submit proof of workman's compensation coverage for all employees of the bidder, as well as public liability insurance of at least \$500,000/\$1,000,000 limits. In addition, the successful bidder will be solely responsible for any damages done by their company (or their subcontractors and suppliers) to public utilities and/or personal property as a result of the execution of this Contract.
- E. Bidders must comply with the State of Georgia Public Works Laws for bidding this work. In general if the bid is greater than \$100,000 a 5% bid bond must be included with the bid.
- F. Under Georgia Law, bidders must provide an affidavit of compliance with the Georgia Security and Immigration Compliance for their company and any all subcontractors proposed under this work if this work with their bid.

V. INTERPRETATIONS OR ADDENDA

Any questions concerning this invitation should be directed via fax or mailed to:
Terrell Partain,
Hart County Administrator,
800 Chandler Street
Hartwell, GA 30643,
Fax: 706-376-9477

Hart County reserves the right to reject any or all bids, to further negotiate with one or more bidders, and, to waive any technicalities and informalities, and to accept the bid deemed to be in the best interest of the County.

No oral changes or interpretations shall be made to any bidder regarding the bid Documents or any part thereof. Every request for an interpretation shall be made in writing via fax or mail to: Jon Caime, Hart County Administrator, at the contact information above.

Any inquiry received five or more days prior to the date fixed for acceptance of bids will be given consideration and addressed to all known bidders in the form of an Addendum. Any changes or interpretations to the specifications shall also be in the form of an Addendum to the Bid Documents. All Addenda will be faxed and mailed to each person holding Bid Documents, but it shall be the bidder's responsibility to make inquiries as to the Addenda issued. All such Addenda shall become part of the Bid Documents and all bidders shall be bound by such Addenda, whether or not received by the bidders. It shall be the bidder's responsibility to ensure delivery of any and all requests for interpretations.

VI. OTHER REQUIREMENTS

Should the contractor, in the opinion of Hart County representatives, fail to comply with any requirements of these specifications; the County may delay work until such requirements are satisfactorily met.

Any quantity listed is approximate and/or estimated. Contractor shall verify all quantities. Hart County reserves the right to reject any or all bids, to further negotiate with one or more bidders, and, to waive any technicalities and informalities, and to accept the bid deemed to be in the best interest of the County.

This bid package and any subsequent bid addendum are the specifications and contract documents for this project. The County must approve any variance from the required specifications in writing. If there is a conflict between these specifications and any referenced specifications, the higher quality specification shall be applied.
